

## Camp Kingfisher 2010 - Registration Discount Details

### **It's a tough economy and we want you to be able to come to camp!**

If you sign up for camp with a new family, who did not attend camp in summer 2009, **you will each receive \$75 off per full-day week or \$50 off per half-day week.**

Already signed up for camp? Recruit a new family and when they sign up and mention your name they'll receive the discount and you'll receive a refund!

This discount applies to member and non-member prices. For \$40 you can purchase a CNC Family level membership, on the registration form, and apply the discount to member prices.

This discount can be applied only once to each camp week. This discount applies to all campers in a family and all weeks families sign up for.
