Session 5T August 1 – 12

This is an in camp session, there will be no trips

You may attend one or more programs. The second program you attend will include a new set of trips.

**Fees:** The program \$798 for CNC members & \$950 for non-members  
We are offering a 10% discount for families who register and refer a friend to the Travel Program who has not attend Camp Kingfisher in the past 2 years.

The fee for this program is higher than the regular in-camp program because of the cost of travel and off site activities.

**Trips:** Our 2011 schedule is not set in stone, so some things may change. 2010 Adventures include:

- Canoe trips on the Chattahoochee River
- Hiking in North Georgia
- Cave explorations
- Tree Climbing
- Hiking on local trails
- Ropes Course adventure
- Mountain Biking
- Organic farm tour and harvesting
- Outdoor overnight at CNC & swimming in the pool!!
- A community service project to benefit the environment.

Trips will be led by two camp staff, and you will travel by van. Spaces are limited to 10 campers per group. You'll bring a lunch, snacks, a water bottle dress for an outdoor adventure. We'll provide a great group of campers, dynamic staff and quality adventures. ☺ This is our third year running this program and we hope you can be a part of it.

If you have ANY questions, don't hesitate to contact me.
