

# Characters of the Watershed

This exciting and unique camp, offered in Partnership with Georgia Ensemble Theatre (GET), focuses on the inhabitants of the Chattahoochee River Watershed while giving campers the chance to explore nature and the world of theater.

A Camp Kingfisher Counselor and a GET Teaching Artist will partner together to introduce the campers to diverse habitats and animals. Using various drama techniques, campers will be able to explore their creative side as they re-enact, write dialogue, create movements, and build scenes based on what they learned about each day's particular theme.

This is a perfect camp for kids who love to be outside and around animals, and also enjoy the performing arts.

Please scroll down for more information about the **DAILY SCHEDULE**.

**Registration for this program is through  
Georgia Ensemble Theater and begins January 19<sup>th</sup>.**

# Characters of the Watershed

## Sample Day at Camp

This creative & unique specialty program has a very different schedule than that of Camp Kingfisher's regular summer camp program.

- Campers will have increased exposure to Live Animal Presentations as they study their behavior and movements.
- Campers will not be Canoeing.
- Campers will be Swimming only once during the one-week program (weather permitting).
- Campers will be participating in Arts & Crafts both in our "shack" and separately with their group.
- Campers will be attending the weekly Guest Performance and families will be invited to attend.

The help you decide if this is the right specialty camp for you; we have included a sample day from last summer's program. On the first day of camp you will receive a detailed schedule.

8:55	Head to the double classroom to meet your group
