CHATTAAHOOCHEE

A WATERSHED EVENING

NATURE CENTER
CNC’s annual gala is returning this spring on April 14, 2023. Don’t miss this opportunity to celebrate all that we have accomplished together this year and help raise critical operating funds to continue our momentum.

Many have always known that CNC is a special place, however, COVID brought that meaning to life for many more. A safe, outdoor space to explore, learn, and reflect is critical to each of us and even more important to the community as a whole. CNC’s River Boardwalk Trail and Connection Bridge opened in 2022. For the first time, visitors to CNC have easy access to not only the beauty of the wetlands of the Chattahoochee River, but to the river itself through our improved canoe launch. Some events change the course of history, culture, or a person’s life. Just as a watershed defines the course of where water flows, CNC’s River Boardwalk Trail and Connection Bridge forever changes CNC’s impact on the community and the lives we are able to touch.

CNC’s Unity Garden harvested and donated over 10 tons of produce to local food pantries.

44,000 students are served annually by CNC’s educational programs.
ANNUAL COST TO FEED OUR WILDLIFE REHABILITATION PATIENTS
$30,000

In the spirit of this success and partnership, we want to invite you to be part of the prestigious list of community-leading organizations that have supported this event in the past. Help us continue to preserve this critical, outdoor sanctuary along the banks of the Chattahoochee River for all of metro Atlanta to enjoy. There are many ways you can help! A list of sponsorship opportunities is included in this package.

OVER 1,000 GUESTS ANNUALLY participate in a canoe experience
